FEATURES AND HIGHLIGHTS

Product Introduction

The mobile doctor workstation based on wireless network integrates highly integrated computer, wireless communication, intelligent power management, mobile management technology, and is suitable for a variety of clinical work environments; whether it is outpatient, emergency, inpatient ward, operating room or ICU, it can help clinical Medical workers realize intelligent mobile ward rounds.

Technical Parameters

▪ Dimensions W×H	510×830mm
▪ Work table L×W	210×20mm
▪ Overall weight	8.3kg
▪ Lifting method	manual lifting
▪ Lifting size	200mm
▪ Caster design	5 inch medical grade mute wheel, pedal brake

Material

The table top and column are made of aviation-grade aluminum alloy, the base is made of one-time molding all-cast aluminum material, the whole car adopts high-voltage electrostatic spraying process, and imported environmentally friendly antibacterial plastic powder is used to ensure that the product meets the medical and health requirements, and the surface is matte and non-dazzling.

Jaws

The tablet fixing clip can be rotated 360° and adopts a spring-type fixing method, which can be applied to tablet computers of different sizes. The buffer rubber inside the fixing clip can fix the tablet more stably and prevent scratches on the paint surface.

Column

The column is equipped with a manual lifting function, which is easy to rise and fall, and can be quickly adjusted to a suitable height. It is locked by a knob, and can adapt to different sitting and standing postures, with a stroke of up to 20cm.

Chassis | Casters

All-metal chassis, one-time cast aluminum molding, to ensure the center of gravity and level of the vehicle.

5-inch medical grade silent wheels, all with brakes, after tens of thousands of kilometers of long-term durability tests, flexible and durable.

As the circumstance of printing, the photos might have minor difference on color, tactile from real products.
As the update of design and improvement, parameters and outlook of products might change, thanks for understanding.
