HWR054-ET

FEATURES AND HIGHLIGHTS

Technical parameters

- External size (LxWxH) 750x475x920 mm
- Castors 125 mm

One-piece countertop

The one-piece countertop provides more comprehensive protection; the fully guarded handle makes it more comfortable to hold me; the raised grip shape makes the operation of the side-drawing board more comfortable.

Decorative gripper

Outer beveled decorative grip, better operating comfort and more three-dimensional shape.

Heavy duty construction

Wheels assembled on the same vertical line as four columns. More stable, even the drawer open inside full of medicine/tools.

Drawer

Drawer in size big & deeper!

Power supply

The power socket is movable and detachable, easy to use, located above the CPR board to convenient the use of oxygen cylinders

Inserted oxygen bottle holder

Inserted retractable oxygen bottle holder, belts fixed on trolley main body, space saving

Infusion stand

IV pole inserted into main body column.

Drawer holder

Card insert from downside, easy keep clean.

Defibrillator

The plate surface is made of virgin ABS material. The position of the I,V pole and the defibrillator can be exchanged for easy use.

Sorting trash can

Green+yellow sorted trash can.

As the circumstance of printing, the photos might have minor difference on color, tactile from real products.
As the update of design and improvement, parameters and outlook of products might change, thanks for understanding.
