#### Design

Meticulous design, rational color blend, easy installation, and durability.

#### Material

Made of high-quality ABS engineering plastic: antibacterial, moisture-resistant, corrosion-resistant, wear-resistant, non-toxic, odorless, and rust-free. Washable and easy to clean.

#### Worktop

The spacious worktop allows for convenient storage, with three raised sides to prevent items from falling off. Worktop dimensions: 480\*480mm.

#### Hidden storage box

Hidden storage boxes on both sides for towels and small items.

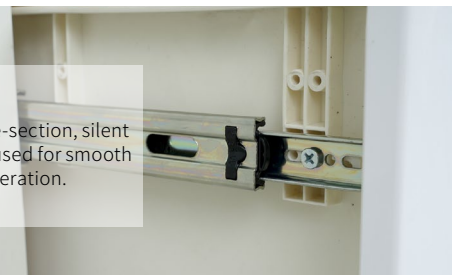

#### Drawer

Three-tier drawer design for better organization and greater capacity.

#### Drawer track

High-strength, three-section, silent damping slides are used for smooth and quiet drawer operation.

#### Label card slot

Label card slots on drawers for categorization, such as item names or patient and department information.

#### Caster

4pcs silent casters (5cm in diameter), two with brakes for easy mobility.

As the circumstance of printing, the photos might have minor difference on color, tactile from real products.  
As the update of design and improvement, parameters and outlook of products might change, thanks for understanding.
