MEDICINE TROLLEY

HWH028

FEATURES AND HIGHLIGHTS

Technical parameters

- Size (LxWxH) 670×450×1000 mm

Technical configuration

- 3" Castor 4pcs

Application

Stainless steel medicine trolley;
Multifunctional nursing trolley;
Medical Trolley.

Structural design

The structure is compact and practical, use high-quality stainless steel, safe and non-toxic, easy to clean, smooth surface, not easy to corrode, and long service life.

Countertop structure

Two-layer countertop and drawer structure is adopted. The countertop is high-quality stainless steel, equipped with three-sided stainless steel fence, the first and third layer with 2 fences, the second layer with single fence, to prevent items from falling down.

Handle

Handle in the right side, easy for users to move the trolley.

Drawer

The drawer is equipped with high-quality silent slide rails, which can be drawn smoothly, effectively solves the problem of easily sliding out or blocking during the drawing process. Two drawers (H100*W280*D350mm), with plastic handle and lock.

Castors

3 inch covered castors (diagonal brake), flexible and light to drive, smooth steering, wear-resistant, two with brake, can be easily braked in any state.

As the circumstance of printing, the photos might have minor difference on color, tactile from real products.
As the update of design and improvement, parameters and outlook of products might change, thanks for understanding.
